Memo to Coal File:

Re: Western Clay Company
Redmond Bentonite Pit
ACT/041/012
Sevier County, Utah

Pamela Grubaugh-Littig met with Tom Robison, General Manager, of the Western Clay Company to discuss the bond estimate. It was agreed that the bond to be posted should be \$6814.75 in 1983 Dollars. There is already a certificate of deposit held by State Lands for \$5000.00 as well as a subordinated note for \$2000.00

It was agreed that the bond will be inflated on a yearly basis at an anniversary date of the board hearing.
